'Congratulations once again to Mirjam Maarleveld for organizing an incredibly successful Job Fair. It was a huge effort, but the recognition and satisfaction from everyone present made it all worthwhile. With over 40 exhibitors, thousands of job seekers, and a variety of speakers covering different topics, the event was a triumph.'

'Thank you very much for promoting this event. Such gatherings are incredibly valuable for all involved, providing companies with a platform to showcase themselves and offering visitors a myriad of opportunities to explore. I was thoroughly impressed by the organization and the warmth of the staff in attendance.'

'👩💻 As a tech enthusiast, I received a great charge of motivation and positivism for the job seeking! These times might not be the easiest ones, but I believe determination and persistence, along with resilience, lead to great results 🏆'

WHAT'S NEXT?

We're working harder than ever to bring you more job fairs and events, that are even bigger and better than the last.

While this year's job fair was a significant milestone, it's just one of the many ways we aim to bridge the gap between talent and opportunity. Our job fairs aren't only about connecting companies with potential candidates, but an opportunity to learn from each other and foster connections.

So, mark your calendars! We're excited to announce that the next 'Work in Barcelona! Job Fair' will take place on **Wednesday 16th of October**. Stay tuned as more details will be provided in the upcoming weeks.
