WHAT'S NEXT?

We're working harder than ever to bring you more job fairs and events, that are even bigger and better than the last.

While this year's job fair was a significant milestone, it's just one of the many ways we aim to bridge the gap between talent and opportunity. Our job fairs aren't just about connecting companies with potential candidates, but an opportunity to learn from each other and foster connections.

EXHIBITORS

"Thank You for an Amazing Experience at Work in Barcelona! Job Fair.

It was wonderful to connect with so many talented people and share insights about our exciting career opportunities.

During the event, we:

- Engaged with job seekers who are passionate about their careers.
- Shared our expertise in Multilingual and Tech recruitment.
- Gave tips on navigating the job market and enhancing resumes.
- Built connections that we look forward to nurturing in the future!

A huge thank you to everyone who stopped by our booth. Your enthusiasm and energy truly inspired us! It was a pleasure to hear about your career aspirations. Each conversation was a reminder of the incredible talent and potential within our community. We are excited to keep the conversation going and help you take the next steps in your professional journey. We'd also like to extend our gratitude to and Mirjam Maarleveld for organising such a fantastic event!"

NETWORKING LOUNGE

"At first, I thought this networking exercise was stupid.

How can people possibly know who you are, what you like, and what you do for work without having spoken a word to you? 😞

Turns out, the first impressions people have of me give more away than I thought. 🤖

Most of the things people mentioned come quite close to who I am or want to be.

Chapeau to the person who wrote the last one! Seems my 🍰 addiction is obvious at first sight. 😊

And thanks so much Kiana Beijleveld for doing this workshop, I am very happy I stayed at the Work in Barcelona! Job Fair at The Social Hub longer than intended (thanks to Mirjam Maarleveld for organising it)! I was lovely meeting you and everyone else".
